Re: Reminder – Rolling Open Enrollment

Just a reminder, if you have been on your current medical option (Fee for Service, Kaiser or United Healthcare) for twelve full calendar months, you may call the Fund Office to request enrollment information and make a change to another medical option at any time. You may not make a change again until after you have remained on the new coverage for twelve full calendar months. This rolling twelve month enrollment option allows the member and their eligible dependents more flexibility on when they are allowed to change their coverage option.

You have the option of choosing from three choices of medical plans: The Fund's Fee-For-Service Plan or one of the HMO plans offered by Kaiser Permanente and Anthem Blue Cross HMO (non-Medicare eligible only). If you and your spouse are both eligible for Medicare, in addition to these three plans, you may also select to enroll in United Healthcare Secure Advantage plan. If you have been on your current medical option for twelve months and would like to change medical plans, please call the Fund Office for the appropriate enrollment package at (866) 481-5841, or (562) 463-5033.

If you are satisfied with your present coverage and do not wish to change, you need to do nothing. Your present coverage will continue under your current health plan.

Although Kaiser and Anthem Blue Cross are continually expanding their service areas, you may not be currently living within the service areas covered by the HMO plans. Please confirm that you live within one of the service areas for the HMO's prior to filling out the enrollment forms. If you do not live within either of the HMO service areas, you must enroll in the Fund's Fee-For-Service Plan.

If you should have any questions, please contact the Administrative Office at (866) 481-5841, or (562) 463-5033.

Sincerely,

ON BEHALF OF THE
BOARD OF TRUSTEES OF THE
SOUTHERN CALIFORNIA DAIRY INDUSTRY SECURITY FUND
