Re: PPO Providers – Anthem Blue Cross

In a continuing effort to maintain and control increasing medical costs for both participants and the Southern California Dairy Industry Security Fund, the Board of Trustees would like to remind you of the importance of using Anthem Blue Cross PPO providers.

Advantages of Using Anthem Blue Cross PPO Providers

The Fund, through Anthem Blue Cross, has contracted with many doctors and hospitals who have agreed to provide medical services at reduced fees. This means that by utilizing an Anthem Blue Cross provider, both you and the Fund save money.

How the Program Works

- When you need to see a doctor simply select one from the Anthem Blue Cross PPO provider listing. In many cases, you will find that your current doctor has already agreed to participate in the Anthem Blue Cross PPO Plan.
- If you do not have an Anthem Blue Cross PPO listing of participating doctors and hospitals, you may visit Anthem Blue Cross at www.bluecrossca.com for a participating doctor or hospital in your area. You may contact the Fund Office at (866)481-5841 or (562)463-5033 to request a directory or access the Fund's website at www.scdairyfund.org.
- When you visit an Anthem Blue Cross PPO doctor or hospital, be sure to take your group health Plan identification card with you.

IF YOU ARE REFERRED TO A SPECIALIST OR TO A HOSPITAL, REMIND YOUR DOCTOR THAT YOU WANT TO CONTINUE TO UTILIZE ANTHEM BLUE CROSS PPO DOCTORS AND/OR HOSPITALS.

Participants Residing or Incurring Medical Services Outside of California

- First Health/PHX is the PPO Network for participants residing or incurring medical services outside of California. To determine if your doctor or hospital is part of the First Health PPO network, you may visit First Health at www.firsthealth.com.

If you should have any questions, please contact the Administrative Office at (866) 481-5841, or (562) 463-5033.

Sincerely,

ON BEHALF OF THE
BOARD OF TRUSTEES OF THE
