Re: Stat Doctors Survey

In a continuing effort to maintain and control increasing medical costs for both participants and the Southern California Dairy Industry Security Fund, the Board of Trustees is considering offering participants in the Fund's Fee-for-Service Medical Plan an e-health provider, Stat Doctors. The Trustees are requesting participants to complete a survey in order to gain feedback and gauge your interest in using Stat Doctors if the program is offered by the Fund.

Stat Doctors is a leading provider of e-health services. In essence, Stat Doctors provides a private & confidential online doctor visit through the internet for non-emergency services. The Stat Doctors are on call 24/7/365. This program has proven to be a high quality alternative to members seeking medical care and helps reduce costs to the Fund and the participants for services that might otherwise be incurred by way of a doctor's office visit. The Fund encourages you to visit the Stat Doctors website at www.statdoctors.com in order to gain more information about the program.

ALL PARTICIPANTS WHO COMPLETE THE ONLINE SURVEY BY AUGUST 10th, 2014 WILL RECEIVE A \$25 GIFT CERTIFICATE FROM COSTCO!

If you would like to complete the survey regarding Stat Doctors online please register and log into the Southern California Dairy Industry Security Fund's Participant Portal at <http://member.bpabenefits.com>. The process is quick and easy to do. If you have previously registered for the Fund's Participant Portal, simply log into the Portal for access to the survey. Once you log on, you will find a link to the survey.

If you do not want to complete the survey online, please contact the Administrative Office and a survey will be mailed to you. Please note, however, if you choose to complete the survey in this manner, you **WILL NOT** receive a \$25 gift card from Costco.

If you should have any questions, please contact the Administrative Office at (866) 481-5841, or (562) 463-5033.

Sincerely,

ON BEHALF OF THE
BOARD OF TRUSTEES OF THE
SOUTHERN CALIFORNIA DAIRY INDUSTRY SECURITY FUND
